Clearance of Bakreswar Thermal Power Project

670. SHRIMATI KANAK MUKHERJEE:

SHRI GURUDAS DAS GUPTA:

Will the Minister of ENERGY be pleased to refer to the answer to Unstarred Question 146 given in the Rajya Sabha on the 9th November, 1987 and state:

(a) whether Government have since cleared the Bakreswar Thermal Power Project in West Bengal;

(b) if so, by when the Project is likely to be taken up;

(c) what is the likely time of its completion and the expected power generation capacity; and

(d) whether any foreign aid is expected for this Project?

THE MINISTER OF STATE IN THE DEPARTMENT OF POWER IN THE MINISTRY OF ENERGY (SHRI KALPNATH RAI): (a) No, Sir.

(b) to (d) Clearance from the forestry angle in respect of the land required for the ash disposal system has not yet been obtained. The first unit of the project, which envisages the installation of three units of 210 MW each, could be commissioned in four years from the placement of orders for the main plant and equipment. The possibility of availing external assistance for the project is also being explored.

Requests from Assam and Gujarat Government for increasing royalty on crude oil

671. SHRI VITHALBHAI M. PATEL: Will the Minister of PETROLEUM AND NATURAL GAS be pleased to state:

(a) whether it is a fact that Gujarat and Assam Governments have requested the Centre to increase royalty on crude oil produced in these States;

(b) if so, what are the details in this regard; and

(c) what is Central Govenment's reaction thereto?

THE MINISTER OF STATE OF THE MINISTRY OF PETROLEUM AND NATURAL GAS (SHRI BRAHM DUTT): (a) Yes Sir.

(b) and (c) Government of Gujarat and Government of Assam have demanded increase in rate of royalty on crude oil production from Rs. 192.00 per MT to Rs. 683.50 and Rs. 340 per MT respectively. The next review of the rate of royalty would be considered after taking into account all relevant factors, including the views of the concerned State Governments.

Allocation of Hydro-electric Power to Delhi

672. SHRI HARVENDRA SINGH HANSPAL: Will the Minister of ENERGY be pleased to state:

(a) whether the Delhi Electric Supply Undertaking has repeatedly urged the Central Government to allocate more hydro electric power to Delhi to ease the continuing power crisis in the capital;

(b) if so, how many times the DESU sent SOS to the Central Government;

(c) what are the details of the SOS; and

(d) what steps are being taken by Government to improve the power shortage position in the capital?

THE MINISTER OF STATE IN THE DEPARTMENT OF POWER IN THE MINISTRY OF ENERGY (SHRI KALPNATH RAI): (a) to (c) The Delhi Electric Supply Undertaking has been asking for allocation of additional power from the Bhakra Beas Management Board and reminders have also been received. The power supply position in Delhi is by and large satisfactory. Shortages, which have been marginal, have been mainly on account of unforeseen outages of some units and constraints in the transmission system. During 1987-88, an assistance of 1734 million units was made available to the Delhi Electric Supply Undertaking from the Northern Region including Bhakra Beas Management Board system.

(d) To meet the growing demand in Delhi, steps have been taken to improve the performance of IP and Badarpur power stations, strengthening the transmission and distribution systems in Delhi and setting up of 135 MW capacity at Rajghat power station.

In addition, the National Capital Power Project of 840 MW has also been sanctioned to meet the long term power requirements of the National Capital.

The gas-based power station at Dadri with a capacity of 600 MW is also envisaged.
